Optional hard disk storage:

500GB = SGD119

1TB = SGD179

2TB = SGD210

Shortage of stocks & manufacturing output due to the heavy flooding in Thailand have caused the prices of hard disk drives to increase by significant amounts. This problem is expected to continue till end of 2011 and possibly the first quarter of 2012.

Note: The offer above applies to corporate & home users as well. All home users are required to arrange an appointment for demo at #02-39A Sim Lim Square before proceeding with any request for site survey. We can discuss more in detail & provide full demo when you're at the shop.

Usual hours for demo (by appointment only): 11am- 8pm, everyday, including Public Holidays. Please call 63372148 or 90217745 to arrange for the appointment.

It is well-known that the workmanship, materials, product, and after-sales support offered by Assista are of higher-quality than all other vendors who are purely competing on price.
